**Placement for 7<sup>th</sup> grade Mathematics**

Dear Parents and Guardians of 6<sup>th</sup> Graders,

Placement in mathematics courses receives a great deal of attention throughout middle school. The intent of the mathematics department is to ensure that all parents and students are informed

Please contact me with any further questions or concerns. We will be communicating more about the course selection and placement process in the spring.

Sincerely,

Donna Sorila  
Middle School Mathematics Department Head
